The planning for the **"Program in 2009"** is already in progress and we will again establish a simple Roadbook. For Saturday we will organize a visit to a bigger Thuringian town with the opportunity of extensive site seeing and shopping. The rest of the program will be kept secret for the time being.

Please inform all your Club members about this International Corvette-Club Meeting 2009 as soon as possible to enable them to coordinate this meeting with their holiday planning.

Of course, we are again hoping for active participation of all the Clubs and whole Corvettescene!
